Ah yeah, yeah, yeah

Oh You're sorry, you're sorry (Sorry)
What would you do if you're alone? (Yeah)

It is what it is
Feelin' crazy (Feelin')
Wanna be with me deep down (Deep down)
You can feel it, you can't help it, baby
I'll give you this heart of mine
Ooh
I'm on the borderline, yeah yeah (Oh)
Ooh
Don't wanna be schizo this time (Oh)
Never ever cheat, never lie to me
I'm the most jealous girl (Girl)
In the whole wide world (World)
Don't you ever hurt me
I'll change on you
I will do, me and you, how Cause I'm falling in love all alone (Oh, I)

Believe what you see
Feel what I feel
And my feelings don't die

It's why I cry (Cry)
I need to heal
Got another lady, havin' a baby
